Statement by the Minister for Education and Public Health.

Sri T. SIDDALINGAIYA (Minister for Education and Public Health.)—Before we proceed to the next subject, I want to make a short statement about yesterdays' resolution.

Mr. SPEAKER (Sri V. Venkatappa).—On what resolution ?

Sri T. SIDDALINGAIYA.—Upon the resolution which was moved by the Hon'ble Member Sri Madiah yesterday, and withdrawn afterwards. Upon that I want to make a short statement, a correction only.

Yesterday there was a resolution moved by the Hon'ble Member Sri Madiah for the enhancement of the amount of scholarship per capita in the colleges for Harijan students. After discussion, on behalf of the Government I said " since I am opposing the resolution, it may be withdrawn ". That is not the correct idea of the Government. Either individually or Governmentally, there was no opposition to the resolution as such. Only my intention was that under the present circumstances, no enhancement of the scholarship could be made. In that view I submit that the wording I used " since I am opposing it, it may be withdrawn," may be changed into " I request you to withdraw". There was no intention on behalf of the Government or anybody else that we should oppose such a resolution which was put forward by Sri Madiah.

Mr. SPEAKER.—The Hon'ble Minister's statement will be recorded.

Sri T. SIDDALINGAIYA.—Yes. That is all that I want.
